ENERU'S GREAT SPACE MISSION, FINAL VOLUME:
“FULL POWER! THE ENERU ARMY STANDS TALL!”

Karakuri/Machine Island, Kingdom of Baldimore is where Kuma sent Franky. It is also the birthplace of Dr Vegapunk.

Bilka/Birka is also the name of Enel's birthplace,
Sky Island south-east of Skypiea

The winged people depicted on the mural share characteristics with the Sky people we met in the story : Upward/Downward Wings, Antenna-like hair etc
